

VibeMaestro

Conduct the code · unlocked by the VibeBuilders Discord

Describe an app in plain language. The Maestro writes it. You ship it to your own live subdomain.

THE GATE

Join the VibeBuilders Discord, then sign in with Discord. That's the whole gate — free, full platform.

THREE MOVES

Describe what you want. Conduct the build (it acts, you approve). Ship to your own vibemaestro.app subdomain.

EVERY ACCOUNT

Managed database, auth, storage & email wired for you. You never pick a model or touch a backend.

Earn your place — rank is shipped for, not bought
